

Year 13 Stationery List

2012

Stationery

The following list identifies all of the stationery requirements that **year 13** students at Pakuranga College must buy before the start of school. **All items are compulsory** except where it is stated as 'recommended'.

General items such as coloured pencils, pencil sharpener, etc, may be shared between subjects. However items such as books, clearfiles must be kept separate for each subject.

You can order all of this stationery online at Office Max (www.myschool.co.nz). Alternatively you can buy the stationery at another retailer.

Please be aware that some stationery is only available via Office Max website or at school. To help you determine which stationery you must pay for online or at school, we have used the following key:

1 stationery item

... this item can be bought at any retailer

OM 1 stationery item

... this item can be purchased online at the Office Max website AND they will deliver it to you.

... alternatively students can buy it from the school stationery shop once school has started.

PC 1 stationery item

*... this item can be paid for online at the Office Max website or at the college office. Office Max will **NOT** deliver these items.*

... students must keep their receipt from Office Max or the school and bring this to their classes at the start of the year. The teacher will then exchange the voucher for the appropriate stationery item.

If you pay for items on the Office Max website OR at the college office ... make sure you keep a SEPARATE receipt for each child.

Students receiving items from the college (marked PC in the list below) MUST HAVE A RECEIPT to show proof of payment.
