*Studying at  
Pakuranga College  
is more than  
just an  
education,  
it's a lifestyle!*

Pakuranga College has a long tradition of commitment to thorough learning and excellence in every sphere. It is a highly regarded co-educational secondary school with a roll of approximately 2100 and a history of producing independent, well-motivated and responsible students who are well-prepared for successful university study. Students are drawn from a wide variety of ethnic backgrounds.

The College is situated in a quiet, desirable residential suburb of Auckland, with high quality housing. It has spacious grounds and a lush green environment, close to beautiful beaches, excellent shopping malls and only 30 minutes from Auckland's CBD.

Over the road from the College is Lloyd Elsmore Park, home to many sports facilities including hockey, rugby, netball, cricket and athletics. It is also the home of the Lloyd Elsmore Leisure Centre which offers indoor swimming pools and gym facilities. The Howick Little Theatre is also located in the grounds of the park.

### Homestay and School Support:

- All students in quality homestays.
- Students are carefully matched to each homestay family
- Dedicated Homestay Co-ordinator on call 24/7 who regularly visits and checks all homes
- Full time Director of International Students who knows each student personally
- International student numbers are limited so a high quality service can be maintained
- Regular reporting back to parents
- School reports are issued 3 times per year and emailed or posted to parents overseas
- All students have email and internet access
