

International Fee Paying Students

Hello, my name is Miriam Schmitt. I am from Germany.

My time at Pakuranga College was great. I loved my classes and I have learnt many new things during the past 6 months. The school system is just so different to the German one and I think it is a lot better.

I have made many great friends at Pakuranga College. The people are so nice and friendly. They made this amazing experience even better. I am honestly going to miss them and my life in New Zealand.

I think everyone should have the chance to travel to another country and experience another life there. It is the best thing you can do and Pakuranga College is a great place to go to if you want to study in New Zealand.

There is always someone to talk to if you have a problem, but the time is most fun and I personally loved it!
