

International Fee Paying Students

Hello, my name is Vinicius Xavier. I am from Brazil.

For me, the opportunity to study overseas was one of the best things I could do. You don't just learn English, you learn a new culture, a new lifestyle that is completely different from my Brazilian routine.

Pakuranga College staff made me feel comfortable, the support from the International staff such as Mrs Berry helping us, and Adrienne helping with homestay.

The College is an amazing place, very friendly people and the football team helped me to make some friends. I am sure the experience is one of the best of my whole life.

New Zealand is a beautiful country. I saw things that I've never seen before. The South Island is the best part of the country to travel around; all the bungee's, the mountains, the only problem is the cold.

Once again, I'm so happy that I've had this opportunity and I just have to thank Pakuranga College who made the time I had here better than I expected.
