PAKURANGA COLLEGE SENIOR OPTION CHOICES FOR 2016

To all year 10, 11 and 12 students

Now is the time that you need to start thinking about the subjects that you would like to study at Pakuranga College in 2016.

This subject flow displays the pathway of subjects in each faculty area. The subject course book is online on the college website. To read the course book go to the Pakuranga College website, www.pakuranga.school.nz under Students / Learning at Pakuranga College.

Each page of the digital course book will provide you with information about the different subjects available in 2016. Between Monday July 20 and Monday July 27, click on the 'choose my options' link and if you have your Moodle login you will be able to submit your choices online.

If you do not have your Moodle login or you have any problems making your choices online then you must see your dean.

If you would like to multi-level in any subject then you must visit the careers advisors in the Careers office who will fill out your choices with you.

All current year 10, 11 and 12 students must have submitted their choices online by:

MONDAY 27 JULY 2015

Once you have submitted your subjects the careers advisors will arrange to meet you in August or September, in order to discuss your choices for 2016 and confirm the pathway that you have opted to follow.
