

Year 10 Stationery & Material Fees 2018

While the College has entered a digital environment and operate a BYOD programme, our philosophy is very much to use the appropriate tool for the appropriate task. This means that in many cases pen and paper is needed.

We also recommend workbooks (paper or digital) in some subject areas.

In addition to this there is a small materials fee for some practical subjects for the 'take home' component of the material used.

Stationery - can be ordered on-line from OfficeMax or any other retailer from 1 December, 2017 or the school stationery shop after 2 February, 2018.

Workbook and material fees - can be paid for through the parent portal from 18 December, 2017 or in person at the Student Centre after 22 January 2018.
