This Agreement shall be signed on behalf of the Student by the parents of the Student.

Student: ("the Student")

1. The School shall provide tuition to the Student in accordance with the New Zealand Education (Pastoral Care of International Students) Code of Practice 2016 [The Education Code 2016](#) and the laws of New Zealand in return for an annual fee.
2. The Student shall comply with the rules and policies of the School and with the reasonable instructions of the teachers of the School.
3. The parents or guardians of the Student (the "Parents") authorise staff of the School to:
  - 3.1 receive information from any person, authority or corporate body concerning the Student including, but not limited to, medical, educational and welfare information;

The Parents irrevocably authorise the Principal of the School to advise the Student's homestay hosts of all matters and information required to be provided to parents of any student under the laws of New Zealand. The Parents irrevocably authorise the School to obtain information regarding the Student from the homestay hosts. The Parents agree to appoint the homestay hosts as their agents in New Zealand to receive such information in substitution for the Parents.
5. The Parents or Legal Guardians and Student agree to comply with the immigration requirements as set out in the Immigration Act 2009, and any immigration conditions applicable to the Student's stay in New Zealand. The Parents or Legal Guardians and Student understand that the School has an obligation to report any breaches of the immigration requirements to the appropriate immigration authority.
6. The Parents agree to provide the School with academic, medical or other information relating to the wellbeing of the Student as may be requested from time to time by the School.
7. The School shall at all times comply with the Health and Safety at Work Act 2015 and shall use its best endeavours to ensure the safety, health and wellbeing of the Student but shall not be liable for any damage or harm caused to the Student or the Student's property.
7. In any event, the School's liability in relation to the supply of tuition services to the Student is limited to the amount of fees paid by the Student for the provision of the services in respect of which liability arises.
8. Nothing in this agreement limits any rights the Parents and/or Student may have under the Consumer Guarantees Act 1993.
9. Either party may terminate this agreement at any time upon two weeks' written notice being given to the other party. If the agreement is terminated the refunds policy for international students as outlined in Schedule 1 shall apply ("refunds policy").
10. It is acknowledged that all relevant provisions of the Education Act 1989 shall apply to the Student in New Zealand. Any decision under these provisions to expel or suspend the Student for a specified period shall terminate this agreement and the refunds policy shall apply. The Parents shall have no claim in damages or for any compensation if this agreement is terminated in these circumstances.

11. Neither party is liable to the other for failing to meet its obligations under this agreement to the extent that the failure was caused by an act of God or other circumstances beyond its reasonable control.
12. Notices given under this agreement must be in writing and given to the addresses set out in the application forms. Those sent by post shall be deemed to have been received five working days after posting.
13. This agreement contains all of the terms, representations and warranties made between the parties and supersedes all prior discussions and agreements covering the subject matter of this agreement.
14. This agreement shall be construed and take effect as a contract made in New Zealand and will be governed by New Zealand law, and the Student and Parents submit to the exclusive jurisdiction of the New Zealand courts.
15. The Parents and the Student acknowledge that:
  - (a) personal information of the Parents and/or Student collected or held by the School is provided and may be held, used and disclosed to enable the School to process the application for tuition, provide tuition and homestay services to the Student, provide to the Student and/or Parents advice or information concerning products and services the School believes may be of interest to the Student and/or Parents and to enable the School to communicate with the Student and/or Parents for any purpose;

  - (d) the Student/Parents have the right under the Privacy Act 1993 to obtain access to and request corrections of any personal information held by the School concerning them.
16. The Student's level of English (assessed on arrival in NZ) and academic record will be taken into account when determining acceptance and course placement. The Parents accept the right of the School to effect a change of course if this is seen to be in the best interests of the Student. Some subjects may not be available if students start school after the beginning of the school year.
17. It is understood that the Student will attend regularly. The Parents and designated caregiver guarantee the good behaviour and regular attendance of the Student. Pakuranga College reserves the right to terminate this agreement and inform Immigration NZ if the Student fails to comply with Ministry of Education attendance requirements.
18. It is understood that this contract is current until the end of the school year in which the Student enrolls and may be renewed yearly subject to the satisfactory performance and attendance of the Student. The issuing of an invoice for a new period of tuition, and the receipt of fees for that period will be understood by both parties to constitute renewal of this contract for the period for which tuition fees have been paid.
19. The student and parents will accept and abide by the school's decision regarding accommodation suitability, and rules regarding accommodation. Should Pakuranga College have any concerns regarding the welfare of the child they may relocate the child to a home approved by Pakuranga College or may refer the matter to the relevant child welfare authorities or any other appropriate agency in New Zealand. Pakuranga College will advise the parent immediately if such a situation occurs. In the event that the student's behaviour in the home is considered unacceptable by the host family and the school, and if another suitable homestay cannot be found, the school reserves the right to terminate this agreement.

23. The same school and homestay policies and rules apply to all international students, regardless of age (over or under 18 yrs) while holding a visa for Pakuranga College.

24. Should any significant physical or mental health concerns arise while the student is at Pakuranga College, the school will contact the parents as soon as possible to work towards a resolution. The school reserves the option of returning the student safely to the parents should this be deemed necessary.
25. If the student is involved in criminal activity, the school will contact the parents as soon as possible. The school reserves the right to terminate the student's tuition if appropriate.

The parents agree:

- We have disclosed to the college all special educational and health needs of the student prior to the signing of this agreement. We give the college permission to make a decision on the advice of a medical practitioner, in a medical emergency.

## REFUNDS POLICY FOR INTERNATIONAL STUDENTS

1 Pakuranga College has fee protection insurance to safeguard international students' fees in the unlikely event of the school being unable to deliver the programme due to insolvency.

### Eligibility

2 If the Student needs to withdraw prior to coming to New Zealand, the fees paid will be refunded in full minus the administration fee.

3 If the Student wishes to withdraw after arriving in New Zealand and commencing the subject, course or programme, no refund will be made except:

- where the Student returns home due to serious illness of the Student;
- where the Student returns home due to a death or serious illness of a parent;
- where a parent gains Permanent Residence and the college is notified by the first day of Term 3.

In these circumstances, the refund will be calculated in accordance with paragraphs 4, 5 and 6.

4 If the Student leaves the school after completing part of a school term, and is eligible to claim a refund, there will be no refund of fees for that term.

5 In order to be eligible for any refund the parent or designated caregiver must apply in writing to the Board of Trustees setting out the special circumstances of the claim. Any refund will be based on the date that the letter of application for a refund is received.

6 Where the Student withdraws from a subject, course or any programme at the School and is eligible to receive a refund, the Board of Trustees may refund to the person who paid the fees in respect of the subject, course or programme any amount of the fees it thinks appropriate but any such amount will not exceed the sum of the following amounts:

- (a) the Board's best estimate of the cost to the School of providing tuition in the subject, course or programme for one student up to that time;
- (b) an amount that in the Board's opinion reflects the use made by one student in the subject, course or programme of the School's capital facilities;
- (c) the appropriate proportion of the amounts paid by the Board in respect of fee paying students; and
- (d) all other fees prescribed by the Board.

**NB.** No refunds will be made:

- where students are asked to leave the School because of misbehaviour, poor attendance or violation of the rules regarding motor vehicles;
- where students wish to leave the school or transfer to another school for whatever reason;
- where students return home for any reason other than the student's serious illness or death or serious illness of a close member of the family;
- where students' parents acquire Permanent Residence, Work Permits or Long Term Business Visas after the first day of Term 3;
