

3 April 2019

Tena kotou katoa

It is hard to believe that we are in April and the end of Term 1 is just around the corner.

It has been a busy and challenging term for the whole school community, and I am sure everyone is looking forward to taking the chance to recharge their batteries over the break.

Every three years, around New Zealand there are elections for Boards of Trustees for our schools. This will be happening again later this year and I would like to encourage people within our community to consider putting themselves forward as a Trustee. Being a Trustee is a rewarding and interesting role, and I personally have enjoyed the deeper involvement I have had in Pakuranga College during my time on the Board.

Pakuranga College is a diverse community and it is important that the Board reflects this diversity. If you are interested in finding out more about the role as a Trustee, please feel free to email me: bot@pakuranga.school.nz. We are also having an informal information evening on Tuesday 9 April from 7:00pm in the school staffroom. Please come along if you are thinking about putting your name forward, or even if you are just curious about what we do on your Board of Trustees.

Please remember, you do not need experience as training and support is given.

The role the Board has in supporting the teaching and learning at the College is a vital and rewarding one, so please consider putting yourself forward this year.

Kind regards

Nicola Troughear
Board Chair
Pakuranga College Board of Trustees
