Investigation Policy

(Schedule Two)

1. The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process (the Investigation Process).
3. In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
4. During Stage One of the Investigation Process, the Student will have an opportunity to provide a response to any subject matter being investigated or to any allegation made concerning the Situation.
5. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the Situation, up to and including termination of the Agreement.
6. During Stage Two of the Investigation Process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).
7. This policy does not limit the School's power to take appropriate action urgently and without following the Investigation Process if this is necessary having regard to the seriousness of the Situation. Such a determination may be made at any point during the Investigation Process.
8. This policy also does not limit the School's power to suspend the student for the duration of the Investigation Process where suspension is considered necessary for the safety or education of any person.

General Policy

9. When the School is conducting an investigation involving the Student it will endeavour to provide the Student with the following:
 - (a) a written summary of the Situation (as it understands it) or the Proposed Action;
 - (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Situation or Proposed Action;
 - (e) an opportunity to have an independent support person of his or her choice present at any meeting relating to the Investigation Process;
 - (f) an opportunity to meet with that support person in private at any stage during the Investigation Process;
 - (g) an opportunity to have a translator present (or otherwise facilitate the student participating in the Investigation Process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (h) a copy of this policy setting out the rights which the Student has when engaging in the Investigation Process.

Requests for a refund where the School fails to provide a course, ceases as a signatory, or ceases to be a provider:

8. If the School fails to provide the agreed course of education or is no longer a signatory to the Code or no longer operates as an international education provider, the School will negotiate with the Student or their family to either:

 - b. Transfer the amount of any eligible refund to another provider, or
 - c. Make other arrangements agreed to by the Student or their family and the School.
9. For the avoidance of doubt, this clause does not apply where the format of the education provided by the School changes (for example delivery by remote learning), but where the School continues to offer education for international students.

Other circumstances where a refund request may be considered:

Where a student's enrolment is ended by the School

10. In the event the Student's enrolment is ended by the School for a breach of the contract of enrolment or as a consequence of a Welfare Issue, then the School will consider a request for a refund less:

Where a Student voluntarily requests to transfer to another signatory

12. If a Student requests to transfer to another signatory after the commencement of their enrolment, reasonable written notice of the transfer is required by the School. Unless otherwise agreed by the School, a refund will be provided less a minimum of 10 weeks tuition fees and any other relevant non-refundable fees as outlined in this policy. The 10 weeks will begin the day after the school receives written notice of the student's intended withdrawal.

 - a. Factors considered when making the refund decision;
 - b. The total amount to be refunded; and
 - c. Details of non-refundable fees.
- 18. In the event the Student or the Parent is dissatisfied with a refund decision made by the School or is dissatisfied with the process the School followed when making the refund decision, they have the right to have the refund decision reviewed by the International Student Disputes Resolution Scheme or to make a complaint to the Code Administrator.
